Costs for complying with this rulemaking have been estimated and can be found in the draft EIR.

### **SUBMISSION OF COMMENTS**

Written comments are welcomed and encouraged. Oral comments are also welcomed at any of the eleven scheduled workshops and at the hearing. However, time limitations on the oral presentations may be imposed, depending on the number of commenters and available time for their comments. For this reason, it is preferred but not required that all oral commenters summarize written comments and, to allow for more oral presentations, that oral presentations be coordinated with other similar presentations. **Written comments must be received or postmarked on or before February 9, 2009 by 12:00 noon.** Written comments are to be addressed and submitted to:
